The Rules, surveys performed, reports, certificates and other documents issued by the Society are in no way intended to replace the duties and responsibilities of other parties such as Governments, designers, ship builders, manufacturers, repairers, suppliers, contractors or sub-contractors, Owners or operators, underwriters, sellers or intended buyers of a ship or other surveyed good. They do not relieve such parties from any warranty or responsibility or other contractual obligations expressed or implied or from any liability whatsoever, nor do they confer on such other parties any right, claim or cause of action against the Society.
In particular, the above-mentioned activities of the Society do not relieve the Owner of his duty to ensure the proper maintenance of the ship at all times.
In no case, therefore, the Society shall assume the obligations incumbent upon the above-mentioned parties, even when it is consulted in connection with inquiries concerning matters not covered by its Rules or other documents.
Insofar as they are not provided for in the Preamble, the duties and responsibilities of the Owner and Interested Parties with respect to the services rendered by the Society are outlined in Part A, Chapter 1, Section 1, Article 3.
